Construction News Flash

Edwards AFB Community Health Clinic

From the Office of Development Director
David C. Thompson II, 1st Lt, USAF, MSC
Marla D. Muse, MSgt, USAF, NCOIC
661-277-2622 / 661-277-4162

Bi-Weekly, Issue No. 17 PHASE 3 (estimated completion Feb 04) **06 March 2003**

MILCON Progress

(Pictures by Greg French, Cox Construction)

- Completed the concrete floor for area 12 (SGSL Flight & PAS).

MILCON Progress

- Continuing erection of structural steel high beams for areas 10 and 11.

MILCON Progress

- Continuing to install underground utilities.
- Another water outage is tentatively scheduled for the clinic next Wednesday, 12 Mar 03, from 1300-1700 hrs.

What’s Next?

- Pouring concrete floor for area 11 (Next week).
- Start laying-out the walls and begin masonry for Area 12.

Construction Safety

- **Next week, ongoing underground utility “tie-ins” will affect the road in front of the new clinic construction site. The road will remain open and traffic will be re-directed through this area. Please use caution when traversing this road.**

- **Welding on the columns, beams, and decking is ongoing…**

Thank you for your continued patience with our progress.
